Originally from Israel, Oron Cohen began filmmaking at the age of 16. He studied cinematography at the highly acclaimed Sam Spiegel Film & Television School, Jerusalem, and graduated in 2005 as the best cinematographer in his year.

Since graduating, Oron has worked for a large number of production companies from around the world and has been the director of photography for feature films, documentaries, TV dramas, short films, and music videos. A number of these productions have been screened and have won awards at the leading International film festivals, including Cannes, Berlin, Birds Eye View, Media School Lodz, and Fipa.

Notable Skills

- Experienced in working with a variety of film and video cameras including all Sony models, RED, Arri, Aaton, Panasonic, JVC, Canon DSLR and more.
- Vast experience working with green screen and post-production effects.
- Trained in Budapest, Hungary, in developing film prints, grading, blow-ups to 35mm and telecine work.
- In Depth knowledge and experience filming over 150 corporate and live events/multi camera films.
